

The Deputy Director of Central Intelligence

Washington, D.C. 20505

June 25, 1982

STAT

At Admiral Inman's request, our staff has reviewed your proposal to assess the transfer of U.S. technology to the Soviet Union. We share your concern about this important issue. Your proposal, however, does not fall within the purview of this Agency. You might want to consider the Department of Commerce or, to a lesser extent, the Federal Bureau of Investigations.

Sincerely,

STAT

John N. McMahon
